Orchesis Interpretations To Show Abstractions

Choreographic interpretations will be the basis of the annual Orchesis dance concert at 8:15 p. m. tomorrow in the auditorium.

The first part, Color Interpretations, will consist of the dancers' ideas of six colors; red, yellow, green, black, purple and blue, and will express such different emotions as happiness, lament and envy.

Month Symbolisms

The second part, will have dances symbolic of the months, such as Father Time and the New Year baby for January, a Maypole dance and a June bride. Assisting with the scene for April will be an octet composed of Ruth Longville, Ruth Waschinek, Barbara Murray, Sandra Bock, Harlande Lantz, Ted Romberg, Bruce Hirsch and Terry Young, which will sing the hymn, "When I Survey the Wondrous Cross."

California Sketch.

California, third and largest part of the concert, is taken from the narrative record of the same name. This tells the story of California, and starts by saying, "Take the may down from the wall—point out the largest state of them all," and proceeds with a musical historical sketch of the state. In this, the girls will express their conceptions of the mood the record sets, the ideas of the man giving the narrationa nd the general feeling set by the solo voices and chorus backgrounds.

The Women's Physical Education Department and Women's Intramurals are sponsoring the concert, Miss Mary Lou Niebling is the faculty sponsor.

Choreography

Choreography was arranged by the students except for California, done by Miss Niebling.

The cast of 15 dancers, which designed and made-their own costumes, is Gayle Anderson, Shirley Barnum, Judy Bondumant, Marilyn Brandes, Pat Burke, Annine Dinkel, Laya Edgar, Jane Engelhart, Janet Hanson, Mary Jane Jeter, Pat Kavan, Kay Strimple, Ruth Waschinek, Nancy Weymiller and Gloria Zadina.

Equal Billing

There is no one star in the concert. Almost every act is either a solo, duet or trio, giving all girls equal billing.

Student activities cards may be presented at the box office for admission tickets between 11 a.m. and 2 p.m. today. Tickets may also be obtained before the performance Saturday evening. Adult tickets are 75 cents, ehildren's tickets, 25 cents.

Planists are Mrs. Elizabeth Bauer and Marlene Hoffman. Gene Anderson assists Jack Frost, who is stage manager. Sandy Lipari is the page. Dr. Edwin Clark, Bob Osborn, and Dave Elimore are in charge of lighting, Joan Willey designed the backdrops, and the program cover was designed by Ann Ciculla.

Prof To Cover Psych on TV

Dr. John MacRae, assistant director of the University of Omaha Adult and Testing Guidance Bureau, will take over the seventeenth Television Classroom. Dr. MacRae will lecture on "Psychology for Everyday Living."

The course will begin Monday at 3:30 p. m. on station KMTV. The fifteen-minute telecast can be heard every day, Monday through Friday, at the same time. One college hour can be earned during the sixtweek course.

Blood Donors Hit 259 Mark

The Red Cross mobile unit visited the Omaha University campus Monday and it had 259 pints of blood stowed away when it left.

The 259 pint total was well over the goal of 200 set by Alpha Phi Omega, men's service fraternity sponsoring the drive. The total was an all-time record for blood donations at OU. The previous high was 242 pints donated in November, 1949.

Much of the credit for the success of the drive can be attributed to Publicity Chairman Chuck French, Administration Director Jay B. MacGregor and Drive Chairman Maynard Tatelman. The three men spent time talking to groups, passing out literature and arranging the schedule of donations.

After the drive, French commented on "the terrific cooperation of the University personnel, especially Dean MacGregor." French said, "The last drive we had, only 39 pints were donated, but this time we hope to have nearly 300 pints when everything is all totaled up."

The 259 pint mark is not the final total since several members of the track team will donate today and also third year ROTC students will soon donate.

APO will award two trophies to the winning men and women organizations with the greatest percentage of donors. The winning organizations will be announced at an all-school dance Mar. 31 from 3-5 p. m. in the auditorium.

Orchesis Dancers Discover Rehearsal Time A Problem

Lack of rehearsal time and profuse extension cords have been the main problems of Orchesis, modern dance club, in preparing their third annual spring concert. Rehearsals have taken place mostly in the girls' locker rooms amid phonograph and camera extension cords, and girls

Make Own Costumes Orchesis has accumulated two trunks of costume material and a reputation for fine programs since modern dance began on campus in the 1930's. According to Miss Niebling "girls are a lot different in size today than they were 20 years ago." None of the old costumes fit without alteration. Most of the dancers make over their costomes and do their own chorography. Got To Get "It"

The finale of tomorrow night's concert, "California," is the only number in the show not arranged by the girls. Miss Nibling has had difficulty getting the dancers to put enough "it" into one section of the number.

The auditorium stage will be covered with a congoleum for tomorrow night's performance. This gives the dancers a smooth lin-oleum-like surface to perform on. So far this year there have been no injuries during practice.

Tomahawk Beats March Deadlines

Copy deadline isn't the only date the Tomahawk staff members have to worry about. That same date, Mar. 15, is also their income tax deadline.

Aided by vessels of coffee and long sleepless hours, the staff mailed final pages early this morning. They are believed to be the first staff to have met each sec-

tion deadline. Editor Dan Langevin took time out to give credit to the entire staff. "The staff working as one made it possible to get this year's edition out on time." Hard work, even during vacations, helped to meet every section deadline.

"Our work isn't done yet," sighed Langevin, "we still have piles of proofreading ahead." The book will be given to students with activity cards before finals.

Look Drives Girl Out

A professor's look of distress was so bad that one student walked out of class. She returned in a few minutes, however, quite breathless and with a piece of chalk. Dr. Payne had tried so hard to show his class the day's problem but his piece of chalk was just too small. Merrie Crozier thought only a moment before she left class for her good will errand.

Sports Staff, 'Mural Coaches Select All-Intramural Team

By Larry Means

The Gateway Sports Staff and the intramural basketball managers from the various teams have announced six players from six squads to the annual All-Intramural basketball team.

The voting was so close on the players that six were placed on the starting team instead of the regular five man squad.

Maseman Repeats
Leading the players with the most votes is Don Maseman the only returnee from last years all-star team. "Mase" led Theta Chi in scoring and rebounds to be a unaminous choice for this year's squad.

The championship winning ROTC placed Dan Petersen on the mythical crew. The tall center provided his team with many tip-ins to help them maintain their victorious season record.

Raiberg, Cotten Picked
The fifth place Pawnee team with a season record of four wins and five losses landed one member on the team with the shining performance of Dick Cotten. Chris Salberg represents the Sioux team. Although the teams failed to win a majority of games, the driving tactics of Salberg and the cool headed floor play of Cotten made them easy candidates for the all-star team.

Steck Surprise Choice

Bill Steck of Pi Kappa Alpha nabbed a surprising number of votes from the respective 'mural managers. His experience at organized basketball and his deadly accuracy on set shots made him a top scorer with his team and an almost unanimous choice for the starting intramural five. Cottrell Valuable

Sig Ep's John Cottrell missed being a unaminous choice for the all-star team by one vote. He was second only to Maseman in the opinion of the cage managers. PE Majors Champs

PE Majors made a clean sweep in the final intramural volley ball standings, winning four games with no defeats. This was the second consecutive year that the PE Majors have taken the title.

Members of the championship team are: Orville Jensen, Tom Bell, "Bugs" Redden, Arnold Smith, Frank Mancuso, Don Claussen, Dick Tannahill and Wayne Wayner.

Intramural Athletic Director Ernie Gorr has announced that the first intramural track meet will be held March 24 and 25 in the Fieldhouse.

All boys who are not varsity track letterman are eligible to compete in the sport. Any varsity squad member who has not lettered and who has not competed in a varsity meet prior to the intramural meets is also eligible. The first intramural out-door meet will be the week of April 5.

Intramural indoor track made its first appearance at OU last year, so all indoor records were set a year ago.

Spring Football Call

Football Coach Lloyd Cardwell issued a call for all football talent today to come out for spring football practice which starts Monday. Four weeks of practice dealing with fundamentals, plays and formations will continue through Apr. 10.

The pre-practice football meeting will be held in the south locker room at 3 p. m., Monday.

Veterans Boost Track Team

Omaha University's track team took on its first opponent last night as they faced Wayne State Teachers College. The results were not available at press time.

THE GATEWAY

Stalwarts of support for the Indian squad are Emil Radik, and lettermen Bernie Lainson, Bill Barnes and Bob Gerdeman.

Roger Dunbier, who has led Omaha's high jumpers for two seasons, is back to continue his streak of wins on the home grounds.

Bernie Lainson appears destined to smash his existing records in the 440, 880 and the mile. He has been working constantly to improve his times and has stated that he hopes to better all three of the existing marks.

The speedy junior also supplies a final kick leg on the mile relay

One of the freshmen hoping to place in the broad-jump, the hurdles and the sprints is ex-South high grad Marv Olson. Although he faces rough competition with the Barnes twins in the hurdles and Fellows in the broad-jump, Coach Ernie Gorr expects him to improve as the season progresses

Alums, Varsity Plan Spring Football Tilt

Candidates for Sig Ep Sweetheart were announced today by Frank Pazlar, chairman of the annual all-greek Sig Ep Sweetheart dance.

The candidates are Nancy Anderson, Jean Harrington, Janet Johnson, Donna Rasgorshek and Sharon Winner.

To be eligible for the title of Sig Ep Sweetheart, a girl must be going steady with, pinned to, engaged to or married to a Sigma Phi Epsilon. That way, the girl does not represent a particular sorority, but is the "sweetheart of a Sig Ep."

Janet Brace, last year's sweetheart, will crown the 1954 Sweetheart. The winner will be presented with flowers and a gift from the fraternity.

The Sig Ep chorus will serenade the new Sweetheart with the "Sig Ep Sweetheart Song."

One greek card will admit a couple to the informal dance at Peony Park. Eddy Haddad will play from 8 p. m. to midnight.

Sponsors for the evening are Mr. and Mrs. Tom Brock, Dr. and Mrs. John Kurtz and Tom Town-
